

PIPFA

Pakistan Institute of
Public Finance Accountants

PIPFA Faisalabad Branch Committee is organizing a webinar on

BLOCKCHAIN TECHNOLOGY A NEW CHALLENGE FOR CFOs

Webinar Objectives

Understand the Distributed Ledger Technology called "Blockchain"

Simplify the complex technical definition to create a broader understanding that is necessary for non-technical staff.

Importance of Blockchain in business

Why businesses should adopt this technology.

Challenges for CFOs

What challenges CFOs will be facing when this technology will be adopted by their organizations and how this will impact the overall finance culture.

Saturday
27th June 2020
05:00 - 06:00 PM
CPD Hour : 01

Speaker's Profile
