Excellent Job Opportunities

Access to safe drinking water is one of the basic human rights. Major chunk of over 10 million population in Punjab is deprived of safe drinking water. The Punjab government has accorded the highest priority to provide safe drinking water to the citizens in rural areas of province.

Khadim-e-Punjab Saaf Pani Program is the flagship initiative of the Punjab government and on its completion, more than 55 million people in 144 tehsils of the province will have a sustained access to safe drinking water. This billions of dollars program will also be a watershed in eliminating water-borne diseases, which add to financial woes of the people.

Punjab Saaf Pani Company-North (PSPC-North) and Punjab Saaf Pani Company-South (PSPC-South) have been established with the mandate to develop, design, plan and execute projects for provision of safe drinking water across the province in a phased program.

PSPC-South is looking for dynamic and result-oriented professionals to become part of this noble cause to fill the following challenging positions:
